

## SHARING A PIECE OF YOUR PIE

You love our community and already support many local nonprofits that help make Waco great. Have you considered one of the best ways to give to ensure the charities you care about are able to continue their work in the long-term?

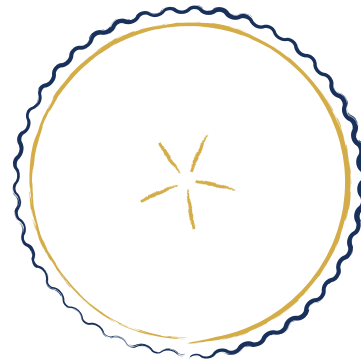

Over the next 50 years, our region is estimated to transfer \$86.7 BILLION of wealth to the next generation. If philanthropy captured just 5% of that pie, it would result in \$1.3 BILLION for McLennan County alone. Imagine what our nonprofit sector could accomplish with those funds. Perhaps every local student could attend college. Maybe the local shelter would only be a temporary holding site because all pets would get adopted. Waco could be the central shining star in Texas.

Whatever that future looks like, sharing a piece of your pie with local charity can help our community get there. No estate is too small to leave a lasting impact. Join other local donors who have committed to leaving a piece of their pie to ensure the greatness of our community. **FOR WACO. FOREVER.**

## WHAT IS THE PIE SOCIETY?

If you love our community and want to contribute a piece of your pie to ensure it's always great, the Pie Society is for you. The Pie Society is a community-wide giving society made up of generous donors like you who have promised to leave a portion of their estate, or a piece of their pie, to charity. The amount of the gift and the charity or charities you choose is up to you. If you've made this commitment, you are already a part of the Pie Society, and we want to hear from you!

Pie Society members will receive occasional communications from Waco Foundation with information about legacy giving. In addition, Waco Foundation will occasionally host events celebrating Pie Society members.

## WHERE DO I START?

Joining the Pie Society is simple. If you're ready to make the promise, simply fill out the Pie Promise card and return it to Waco Foundation at 1227 N. Valley Mills, Suite 235, Waco, TX 76710, or submit it online at [wacopiesociety.org](http://wacopiesociety.org).
